Sandcastle Day

Cannon Beach is widely known as an art community and each year on Sandcastle Day, our beach is transformed into a temporary gallery of imaginative sand sculptures. Sandcastle Day has been a tradition in Cannon Beach since 1964. It has grown into one of the largest sand building contests on the West Coast. Join us as a participant or spectator to enjoy this unique art form.

Parking & Traffic

Signs will be posted on Hwy. 101. Police will be supervising traffic flow and parking. Park only where you are directed (avoid incoming tides, traffic citations and towing). Remove your vehicle from the beach by 12:15pm. If you are staying in Cannon Beach, walk or take the free shuttle to the beach.

Getting Here

**Cannon Beach is 80 miles west of Portland and 29 miles south of the Washington border.
From Portland: HWY 26 to HWY 101 South (4 miles). From Washington: I-5 South to Longview to HWY 30 West. In Astoria, HWY 101 South (26 miles).**

Registration and Rules

Registration closes at 4:00 pm on Thursday, June 5th.
Limited to 150 entries. All others are returned immediately.

To be eligible for the Master's Division you must have won awards in large division at this or other sandcastle contests.

Choice of subject is up to contestants. This is a wholesome, family-fun time, risqué ideas are unacceptable.

Alcoholic beverages are prohibited.

One plot per entry. Confine work to your plot. No sand may be added or removed from the plot. Water may be added to help set sand. No artificial coloring, paint, flour, sugar, starch, adhesives or cement may be added.

All plots are 21x21 except for masters' plot size is 30x30 & Sand Fleas' Plot size is 9x9.

Tools, forms, or aids may be used in construction. They must be removed before final pass-through judging. Only objects natural to the beach may be used: seaweed, driftwood, shells, etc. "Foreign" natural beach objects, building materials, & tools must be removed by 1:45pm or team will be billed for cleanup.

Plot Location

Plot placement is determined by the Chamber of Commerce. There will be a board listing your entry name and plot number at the information tent on the beach.

Sandcastle Day

June 7th Masters start at 7:00am, all others start around 8:00am. Low tide is at 10:30am, high tide is at 5:00pm All cars must be off the beach at 2:30pm.

Set-up crews must complete plot layout before building can begin. Plot markers & information packets will be in the center of assigned plots.

Locate your plot in your proper division by the rope boundary. Do not start to build before the designated time for your category.

Only officials, contestants, & media people allowed within roped area. Place all equipment in center aisle.

There will be only 15 minutes of unloading time on the beach.

Judging

Judging is continuous from 10:00am- 1:30pm (approximately). Judges wear red vests and hats and they can answer questions for you.

** Times subject to change according to tidal cycle. Final determination will be in May 2008.*
